Title VII- Discrimination

I was off sick on a medical leave from September 7, 2021 thru September 16, 2021. On September 13, 2021 I spoke to Connie Kunash the Human resources, she ask me do I have a doctors excuse for all the days I'm off. I said yeah and she told me to bring it in when I return to work. On September 16, 2021 Connie Kunash called me before my shift started and said to me I'm terminated for missing too many days. 12/6/22

Case: 1:22-cv-02192-SO Doc#: 1 Filed: 12/06/22 Page: 4 of 7
According to Morrison Products handbook medical leave
an employee is allowed to miss up to thirty days with
a doctors note.

I didn't agree with the termination on September 16, 2021. I contacted Joe Butler which
is the Union stewardist to file a grievance.

Joe Butler told me the grievance will be filed on
September 20, 2021. September 21, 2021 Joe Butler
filled the paper for the grievance out and Patrick
the plant manager wouldn't accept it. Patrick
discriminated against me because he did other
employees grievance who got terminated around
the same time me.

In closing, I ask the court on my behalf
for me to be rewarded my job back and
loss wages. I worked for Morrison Products
for eight years and I like my job there
